Instrument Rating

Pre-Requisites:

Private or Commercial Pilot Licence
50 hours PIC cross-country

Requirements:

40 hours instrument time, of which:
Up to 20 hours may be in an approved simulator

Minimum instrument rating course cost:

Group 1 (Multi-Engine)	
40 hrs instructor @ \$70/hr:	\$2,800.00
20 hrs simulator @ \$30/hr:	\$600.00
10 hrs PA28 @ \$190/hr:	\$1,900.00
10 hrs PA30 @ \$350/hr:	\$3,500.00
20 hrs classroom @ \$40/hr:	\$800.00
Total:	\$9,600.00*

Group 3 (Single-engine)	
40 hrs instructor @ \$70/hr:	\$2,800.00
20 hrs simulator @ \$30/hr:	\$600.00
20 hrs PA28 @ \$190/hr:	\$3,800.00
20 hrs classroom @ \$40/hr:	\$800.00
Total:	\$8,000.00*

All rates are wet (include fuel/oil costs) but do not include applicable taxes.

*This is the minimum cost for an instrument rating. It is very unlikely to complete the course in the minimum time. Cost will vary based on previous experience and skill level.

Courses may be paid:

- as you go
- by a deposit of a given amount
- by a deposit of total amount

Refund Policy: A full refund will be given for unused deposits if the student withdraws from the course.

Privileges: The privileges of the instrument rating will allow you to fly a suitably equipped aircraft when the weather conditions are below VFR.
