## Flight Instructor Rating – Aeroplane

### Pre-Requisites:

Commercial or Airline Transport Pilot Licence  
20 hours instrument time

### Requirements:

25 hours instructor rating ground school  
30 hours training time, of which at least:  
30 hours must be with a class 1 instructor (dual)  
5 hours in the teaching of instrument flying skills  
Up to 5 hours may be in a simulator

### Minimum instructor rating course cost:

Piper Cherokee	
25 hrs dual instruction @ \$259/hr:	\$6,475.00
5 hrs instrument training(sim) @ \$125/hr:	\$625.00
25 hrs ground school @ \$70/hr:	\$1,750.00
Total:	\$8,850.00*

All rates are wet (include fuel/oil costs) but do not include GST.

\*This is the minimum cost for a class 4 instructor rating. It is very unlikely to complete the course in the minimum time. You will usually need at least 10 hours of solo practice, to learn to talk and fly at the same time. (There are usually students available to practice on)

### Courses may be paid:

- as you go
- by a deposit of a given amount
- by a deposit of total amount

Refund Policy: A full refund will be given for unused deposits if the student withdraws from the course.

Privileges: This rating allows you to provide ab-initio training for the issue of a pilot permit or pilot licence.
