| Breakdown                         | Cessna 150<br>Dual \$234/hr – Solo \$164/hr | Piper Cherokee<br>Dual \$264/hr – Solo \$194/hr |
|-----------------------------------|---|---|
| 10 hrs Dual instruction           | \$2,340                                     | \$2,640   |
| 5 hrs Solo                        | \$820                                       | \$970   |
| 5 hrs Simulator at \$125/hr       |   | \$625   |
| 5 hrs Night Supervisor at \$35/hr |   | \$175   |
| Rating Fee                        |   | \$30  |
| <b>TOTAL</b>                      | <b>\$3,990**</b>                            | <b>\$4,440**</b>                                |

\*Flight test fee is set by the examiner; duration and price are subject to change. \*\*Quote does not include GST.  
All rates are wet (include fuel/oil cost) and subject to change.

Actual training times & costs will vary based on a person's ability and consistency in flight training. This quote is based on TC minimums for the Night Rating. Experience accumulated in obtaining a Night rating can be credited to the issue of a Commercial Pilot Licence (CPL). Courses may be paid as you go or by prepaid deposit. A refund will be given for unused deposits if the student withdraws from the training.

Effective February 1, 2023.
