All rates are wet (include fuel/oil cost) and subject to change.

Actual training times & costs will vary based on a person's ability and consistency in flight training. This quote is based on the average total hours most students take to complete their RPP within, an average of 10 hours more than the TC Canada minimums. Courses may be paid as you go or by prepaid deposit. A refund will be given for unused deposits if the student withdraws from the training.

Effective February 1, 2023.
