Actual training times & costs will vary based on a person's ability and consistency in flight training. This quote is based on the minimum hours required by Transport Canada for the Instrument Rating. Experience accumulated in obtaining the Instrument rating can be credited to the issue of a Commercial Pilot Licence (CPL). Courses may be paid as you go or by prepaid deposit. A refund will be given for unused deposits if the student withdraws from the training.

Effective February 1, 2023.
